

SPINEART[®] ACADEMY 2011

1st EXPERT MEETING

ON

MINIMALLY INVASIVE 3 COLUMN STABILIZATION

WITH

ROME02[®]_{MIS} & JULIET[®]_{OL & TL}

September, 23th - 24th | 2011

Olsztyn, Poland

Spineart® and **Alteris** are delighted to welcome you in Olsztyn.

This highly sophisticated expert training program has been designed to offer you the outstanding opportunity to get introduced to one of Spineart's® latest spinal implant technologies:

MINIMALLY INVASIVE 3 COLUMN STABILIZATION

WITH

ROMEO2®^{MIS} & JULIET®^{OL & TL}

The course concept allows all participants to learn more about minimally invasive 3 column stabilization during lectures and cadaveric laboratory workshop sessions.

On the following pages, you will find a detailed program and important information for your stay in Olsztyn.

Please do not hesitate to contact us at any time for further assistance.

We look forward to welcoming you in Olsztyn!

Sincerely yours,

Spineart® and **Alteris**
